

MINI DC UPS

- Portable
- With Lithium battery
- DC 12V Output
- Input Voltage :100 -240VAC
- Small DC communication equipment, network peripherals
Such as: Modem, routers,CCTV etc.

Specification

Model		AV0100SKP-E
Input	Input Voltage	100-240VAC
Output	Output Voltage (Optional)	12VDC
	Output Power	30W
	Transfer Time	0ms
	Battery Type	Lithium battery
Battery	QTY. & Capacity Of Battery	2200MAH*6
	Charging Period	8 hours (typical)
Physical	Unit Dimension(mm)	130*75*42mm
Environment	Environment Of Performance	Temperature -25°C~45°C, Humidity 20%~90%
